Dear Montgomery Basketball Community,

Summertime is right around the corner and with that comes the annual Montgomery Basketball Camps run by Coach Grundy and his coaching staff. As we all know, the summer months are crucial for players to improve their skills for the upcoming season. Last summer, I was very proud of the product that my staff and I produced on a daily basis for the over 60 weekly campers. I feel that each camper was able to improve his game through station work, competitive drills, and live game play. **I HAVE ALSO EXTENDED EACH FULL DAY CAMP THIS SUMMER BY 1 HOUR ON A DAILY BASIS (9:00 am – 3:00 pm) IN ORDER TO ENSURE MAXIMUM SKILL DEVELOPMENT.**

This summer my camps will be offered during 6 different weeks & each full day camp (9:00 am – 3:00 pm) will take place in the main gym of the high school. On a weekly basis each camper will:

- Receive instruction from the Montgomery High School Coaching Staff, as well as both current and former Varsity Basketball Players
- Develop solid practice habits through involvement in daily “station work”
- Enjoy daily live game play
- Participate in various competitions & daily contests such as “*Beat the Buzzer*,” “*Show me the Money*” & “*Let’s Make a Deal*”
- Have the possibility of being named “Camper of the Day” which entitles that camper to ONE FREE ADMISSION to a 2013 – 2014 Varsity Basketball Game
- HAVE FUN!!!!

I cannot stress enough the importance of your son’s involvement in these camps. It will benefit all involved for your son to get to know me and have me get to know him as he continues to develop his skills. All of my current JV & Varsity Basketball players at one time or another attended my camps. Because I was able to start working with my players at such a young age, it allowed me to instill the proper habits needed to become Varsity Basketball Players. **In addition, these camps have helped develop three division one players over the last 8 years (Kevin Tarca – Quinnipiac, James Loupos – Naval Academy, & Ryan McCoy – Manhattan).** As was the case last summer, I have continued my practice of separating certain camps by grade level in an attempt to build competitive play among those players who will be entering high school within the next couple of years, and those players who have several more years to hone their skills before high school begins. *For those of you who have never enrolled your son in one of my camps, I promise you will be getting top-notch instruction that will benefit your son and his development.*

The following is a list of each of the camps that I will be offering this summer. ***Each of these camps are run by the Montgomery Recreation Department, thus you need to contact them for more information (609) 466-3023 - REGISTRATION BEGINS MARCH 1ST.***
